

**INSTRUCTIONS TO STUDENTS: JANUARY 2024 EXAMINATIONS****BEFORE THE EXAMINATION****Access to campus venues**

- Students are required to have their Student Access Cards with them at all times to gain access to venues.

Examination venues

- All exam venues have been prepared for the examination, including cleaning numbering and removal of excess items
- Ensure that you know where the venue of your examination is in advance.
- All exam desks have been allocated a specific, demarcated space. You may not move any desk and may sit only at allocated desks or seats that have been marked for use.
- The seat numbers that have been assigned to you for each exam are displayed in the last column of your personal timetable, as in the example below.

Waiting for admission to the venue

- Avoid congregating or waiting in the passage or lobby outside the examination venue if the venue is open.
- If the weather is fine, you must wait outside (not in lobbies at the venue). You may enter the venue 20 mins before the exam when it will be opened to students.
- If the weather is poor, the venues will be opened an hour before the exam, and you may enter the venue so that you can wait inside, at your allocated seat.

Venue layout

For further information on your seat number, see your timetable on the exams website: <https://examtimetable.uct.ac.za/StudentTimeTable.aspx>. Students must check their timetable daily as venue details may be updated due to load-shedding.

Entering and exiting the venue

- Follow all instructions from invigilators.
- Ensure unnecessary items are removed from your person and placed in your bag before arriving at your seat.

DURING AND AFTER THE EXAMINATION

- Continue to follow all instructions from the invigilators whilst in the exam venue.
- No food will be allowed.
- Should you become ill during the exam, raise your hand to inform the invigilator. As is standard practice for all exams, paramedics will be on call during every session to attend to students who require medical assistance.
- Disperse immediately when you leave the venue. Do not congregate in lobbies or passages outside the venues.

POWER OUTAGES

If there are multiple power outages per day, some venues may need to be reassigned or an exam may, in an extreme case, need to be rescheduled. If an exam has to be rescheduled, it will be to the Saturday of that week or a later date. You will be informed via your convener should rescheduling be required.

Please check your venue allocation on the day of the exam in case a power outage has necessitated a venue change.
